1 Thessalonians 4

¹³ But **I do not want you to be ignorant**, brethren, concerning those who have fallen asleep, lest you sorrow as others who have no hope.

¹⁴ For if we believe that Jesus died and **rose again**, even so God will bring with Him those who sleep in Jesus.

¹⁷ Then we who are alive *and* remain shall be caught up together with them in the clouds to meet the Lord in the air. And thus we shall always be with the Lord. ¹⁸ **Therefore comfort one another with these words.**

1 Corinthians 1

¹⁰ Now I plead with you, brethren, by the name of our Lord Jesus Christ, that you all speak the same thing, and **that there be no divisions among you**, but *that* you be perfectly joined together in the same mind and in the same judgment. ¹¹ For it has been declared to me concerning you, my brethren, by those of Chloe's *household*, that there are contentions among you. ¹² Now I say this, that each of you says, "I am of Paul," or "I am of Apollos," or "I am of Cephas," or "I am of Christ." ¹³ Is Christ divided? Was Paul crucified for you? Or were you baptized in the name of Paul?

Romans 14

⁵ One person esteems *one* day above another; another esteems every day *alike*. Let each be fully convinced in his own mind.

⁹ For to this end Christ died and rose and lived again, that He might be Lord of both the dead and the living. ¹⁰ But why do you judge your brother? **Or why do you show contempt for your brother?** For we shall all stand before the judgment seat of Christ.

¹¹ For it is written: “As I live, says the LORD, Every knee shall bow to Me, And every tongue shall confess to God.”

¹² So then each of us shall give account of himself to God. ¹³ Therefore let us not judge one another anymore, but rather resolve this, not to put a stumbling block or a cause to fall in *our* brother's way.

Everyone to live 15 minutes from green space or water in England under plans

🕒 1 day ago · 💬 Comments

The government has set legally-binding targets for reversing the decline of wildlife

Everyone will live within 15 minutes' walk of a green space or water under new government plans to restore nature.

Habitat for wildlife will be expanded and there will be 25 new or enlarged national nature reserves. More money will go to protecting rare wildlife, such as hedgehogs and red squirrels.

Tony Blair calls for digital libraries to track vaccines - 'You need the data, you need to know'

Tony Blair: 'You need the data: you need to know who's been vaccinated and who hasn't been.' (World Economic Forum)

Tony Blair has called for digital libraries that can record the vaccination status of people around the world in future pandemics.

Blair's call is the latest of several that he and his nonprofit, The Tony Blair Institute for Global Change, have made for an expansion of mandatory digital surveillance infrastructure.

His institute has called for digital IDs and said increased surveillance is a "price worth paying." Blair himself has also called for mandatory vaccine passports.

About the job

Job summary

The Vaccines and Countermeasures Response Department is part of the National Infection Service Directorate. It is concerned with the procurement and supply of vaccines for the Immunisation Programme and the national stockpiles, vaccine agreements and storage and distribution requirements for pandemic flu preparedness and emergency response planning. This includes the budget management and financial accounting in relation to these arrangements.

The Vaccine Operations team deals with all aspects of the procurement and distribution of vaccines, immunoglobulins, antivenoms and antitoxins for the national immunisation programme and for urgent use within the NHS, across the 4 nations of the UK.

The role of Vaccine Supply Operations Lead is a new post to support the operations, providing accurate and timely reports for a range of stakeholders during what is expected to be the UK's largest vaccination programme which will be delivered at pace and will be a key Ministerial priority. The role will be directly responsible for the daily operational management of all covid related products, ensuring their timely distribution across the UK, Crown Dependencies, and Overseas Territories.

New York, N.Y., January 27, 2023 – Allegations have recently been made related to gain of function and directed evolution research at Pfizer and the company would like to set the record straight.

In the ongoing development of the Pfizer-BioNTech COVID-19 vaccine, Pfizer has not conducted gain of function or directed evolution research. Working with collaborators, we have conducted research where the original SARS-CoV-2 virus has been used to express the spike protein from new variants of concern. This work is undertaken once a new variant of concern has been identified by public health authorities. This research provides a way for us to rapidly assess the ability of an existing vaccine to induce antibodies that neutralize a newly identified variant of concern. We then make this data available through peer reviewed scientific journals and use it as one of the steps to determine whether a vaccine update is required.

In addition, to meet U.S. and global regulatory requirements for our oral treatment, PAXLOVID™, Pfizer undertakes in vitro work (e.g., in a laboratory culture dish) to identify potential resistance mutations to nirmatrelvir, one of PAXLOVID's two components. With a naturally evolving virus, it is important to routinely assess the activity of an antiviral. Most of this work is conducted using computer simulations or mutations of the main protease—a non-infectious part of the virus. In a limited number of cases when a full virus does not contain any known gain of function mutations, such virus may be engineered to enable the assessment of antiviral activity in cells. In addition, in vitro resistance selection experiments are undertaken in cells incubated with SARS-CoV-2 and nirmatrelvir in our secure Biosafety level 3 (BSL3) laboratory to assess whether the main protease can mutate to yield resistant strains of the virus. It is important to note that these studies are required by U.S. and global regulators for all antiviral products and are carried out by many companies and academic institutions in the U.S. and around the world.

Fact-based information rooted in sound science is vitally important to overcoming the COVID-19 pandemic and Pfizer remains committed to transparency and helping alleviate the devastating burden of this disease.

Revelation 13

¹¹ Then I saw another beast coming up out of the earth, and he had two horns like a lamb and spoke like a dragon. ¹² And he exercises all the authority of the first beast in his presence, and causes the earth and those who dwell in it to worship the first beast, whose deadly wound was healed. ¹³ He performs great signs, so that he even makes fire come down from heaven on the earth in the sight of men. ¹⁴ And **he deceives those who dwell on the earth** by those signs which he was granted to do in the sight of the beast, telling those who dwell on the earth to make an image to the beast who was wounded by the sword and lived. ¹⁵ He was granted *power* to give breath to the image of the beast, that the image of the beast should both speak and cause as many as would not worship the image of the beast to be killed. ¹⁶ He causes all, both small and great, rich and poor, free and slave, to receive a mark on their right hand or on their foreheads, ¹⁷ and **that no one may buy or sell except one who has the mark or the name of the beast, or the number of his name.**

¹⁸ **Here is wisdom.** Let him who has understanding calculate the number of the beast, **for it is the number of a man:** His number is 666.

³ As Jesus was sitting on the Mount of Olives, the disciples came to him privately. “Tell us,” they said, “when will this happen, and **what will be the sign of your coming and of the end of the age?**”

⁴ Jesus answered: “Watch out that no one deceives you. ⁵ For many will come in my name, claiming, ‘I am the Messiah,’ and will deceive many. ⁶ You will hear of wars and rumours of wars, but see to it that you are not alarmed. Such things must happen, but the end is still to come. ⁷ Nation will rise against nation, and kingdom against kingdom. There will be famines and earthquakes in various places. ⁸ All these are the beginning of birth pains.

⁹ “Then you will be handed over to be persecuted and put to death, and you will be hated by all nations because of me. ¹⁰ At that time many will turn away from the faith and will betray and hate each other, ¹¹ and many false prophets will appear and deceive many people. ¹² Because of the increase of wickedness, the love of most will grow cold, ¹³ **but the one who stands firm to the end will be saved.** ¹⁴ And this gospel of the kingdom will be preached in the whole world as a testimony to all nations, and then the end will come.
